

STATE OF MAINE  
PUBLIC UTILITIES COMMISSION

Docket No. 2004-151

March 24, 2004

CENTRAL MAINE POWER COMPANY  
Request for Approval of a Special Rate  
Contract with Pike Industries, Inc.

ORDER APPROVING  
CONTRACT

WELCH, Chairman; DIAMOND and REISHUS, Commissioners

---

**SUMMARY OF DECISION**

By this Order, the Commission approves Central Maine Power Company's (CMP's) proposed customer service agreement (CSA) with Pike Industries, Inc.

**DISCUSSION AND DECISION**

On March 1, 2004, CMP filed with this Commission a proposed CSA with Pike Industries, Inc. This contract does not comply with all conditions of Attachment 6 of the ARP 2000.<sup>1</sup> Pursuant to Attachment 6, contracts with terms no more than one year beyond the term of the ARP, that are not anti-competitive or unduly discriminatory and that provide revenues in excess of the Company's marginal cost floors plus an adder, go into effect automatically 30 days after they are filed. The prices in this contract, however, while above the marginal cost floors, are not greater than the marginal cost floors plus an adder. Therefore, in order to become effective, this CSA requires Commission review and approval.

We have reviewed the CSA and find that the revenue loss (relative to retail rates) associated with this discount contract is not large enough to present significant risk to CMP's other customers. Therefore, we will allow the CSA to go into effect.

Accordingly, we

**ORDER**

That the Customer Service Agreement with Pike Industries, Inc., filed by Central Maine Power Company on March 1, 2004, is hereby approved and may become effective as of March 31, 2004, as requested by CMP.
